

F-35 Program Information
NGC REL TO US,

UID - 2-D Data Matrix Label Data

March 24, 2018

F-35 INFORMATION DISCLOSURE WARNING Distribution of this data is restricted to the entities listed in the "REL TO" statement and is not releasable outside of Northrop Grumman Corporation or its F-35 Program Teammates, suppliers, customers, or Partners without the advance written approval of the Joint Program Office for the F-35 Joint Strike Fighter Program.

IMPORTANT NOTICE: A hard copy of this document may not be the document currently in effect. The current version is always the version on the Northrop Grumman network.

F-35 Program Information
NGC REL TO US,

We have had 2 recent disclosures for parts shipped with UID labels in which the 2-D data matrix information does not match the human readable information. Please checklist before shipping parts and perform a first article on the labels if you change suppliers for them. These are disclosures that can easily be avoided and should not be occurring. I have asked my source inspectors to verify UID labels also prior to buying off the parts.
