

## QUALITY POLICY

Customer satisfaction is our top priority as we continually improve the quality of our processes and products, and partner with our customers and suppliers.

## QUALITY OBJECTIVES

As our organization continually improves quality in all aspects of the business, we have established the following objectives:

- **Improve customer satisfaction,**
- **Develop a reliable cost-effective supplier base,**
- **Improve the productivity and efficiency of our production processes,**
- **Provide effective training and a safe work environment,**
- **Continually improve our Quality Management System.**
